PREA Standard 115.388

The Prison Rape Elimination Act (PREA) was established to address sexual abuse and sexual harassment of persons confined to correctional facilities. Standard 115.388 Data Review for Corrective Action of PREA, requires that all public and private institutions that housed adult or juvenile offenders review data collected and aggregated on an annual basis in order to assess and enhance the effectiveness of its sexual abuse prevention, detection and response policies, practices and training, including identifying problem areas; taking corrective action on an ongoing basis; and preparing an annual report of its findings and corrective actions for each facility as well as the agency as a whole.

Christian Acres Youth Center contracts with the Louisiana Office of Juvenile Justice to house their youth. The facility accepts youth for placement from all areas of the state.
